UNITED STATES V. NADEEM EVERETT, 2:18CR00151**

**SUMMARY IN SUPPORT OF PETITION FOR WARRANT  
September 10, 2018**

---

By way of case history, Everett was originally sentenced in the District of New Jersey to 41 months custody followed by three (3) years supervised release for committing the offense of Convicted Felon in Possession of a Firearm. On February 7, 2017, Everett commenced supervision in the District of Nevada.

As referenced in allegation #1A, on August 23, 2018, Everett committed the offense of fleeing the scene of an accident. According to LVMPD, the victim was stopped at a red light on Bonanza/Eastern when he was rear ended by Everett. Everett and the victim initially pulled into a 7-11 parking lot on the northwest corner of the intersection. Everett informed the victim the vehicle he was driving belonged to his girlfriend's mother and he did not have the insurance information, but would get it. Everett then drove off and did not return. The victim took a picture of the license plate Everett was driving.

A short time later, LVMPD responded to another vehicle accident on Eastern/Washington. The license plate and description of the driver matched Everett and the initial accident. Everett was transported to University Medical Center (UMC). While at UMC, LVMPD contacted the probation office and notified what occurred. The undersigned officer and U.S. Probation Officer Hicks responded to UMC to speak with Everett. During the course of the interview, LVMPD officers reported Everett would not be arrested, but cited. Everett was given specific instructions from the undersigned to report to the probation office once he was discharged. Everett failed to report to the probation office as instructed as referenced in allegation #3.

As referenced in allegation #1B and #2, on September 8, 2018, Everett committed the offense of Prohibited Alcohol Consumption / Open Container Possession and Trafficking a Controlled Substance – Cocaine. On this date, LVMPD officers were conducting routine patrol in the area of 6<sup>th</sup> St. and Freemont. Officers observed Everett walking eastbound on Fremont St. carrying an open glass bottle of alcohol upon non-residential property located approximately 210 feet from an establishment which is licensed for off – sale or on –off – sale, to wit; El Cortez located at 600 E. Fremont St., in violation of Las Vegas City Ordinance 10.76.010.

Officers conducted a person stop on Everett. Officers took possession of the alcohol bottle and noted it was about half full and read Hennessy very special Cognac, 40%alc. / vol., 375ml. Through their training and experience, officers knew this particular brand to be an off sale beverage only and is sold in a sealed or corked container.

Officers asked Everett if he had any knives, guns, drugs, or drug paraphernalia. Everett replied he had marijuana in his left pocket. Everett consented to a search of his person. During the search, officers discovered a plastic bag containing five smaller baggies of a white powdery

substance from Everett's right front coin pocket. Through their training and experience, officers knew the substance to be cocaine. Everett was taken into custody. The substance tested ODV positive for cocaine with a weight of 5.8 grams net weight.

On September 9, 2018, Everett was release on an Own Recognizance Bond and is set for a Status Check on Filing of Criminal Complaint on October 10, 2018.

As referenced in Allegation #4, Everett failed to report his change of address to the probation office within 72 hours. On February 7, 2018, probation officers attempted to conduct a home visit with Everett to no avail. Officers called Everett who indicated he moved several days prior to another residence. Everett admitted he had not contacted the probation office prior to or within the 72 hour timeframe. As a result, Everett's conditions were modified to include 30 days home confinement with location monitoring, which he completed.

As detailed in this petition Everett has violated several conditions of his release, to include the commission of new offenses and possession of cocaine. Everett does not have steady employment and based on possessing individually wrapped bags of cocaine, it appears he is selling cocaine. Per 18 U.S.C. § 3583(g)(1), revocation is mandatory for possession of a controlled substance. As such, the probation office is respectfully requesting the issuance of a warrant to initiate revocation proceedings.

Respectfully submitted,
